TransWEB

TransWEB broadband lets you surf the net faster and do more with your time online.

With TransWEB you can:

- surf the net faster than ever before, with download speeds from 2Mbps up to 20Mbps*
- download large files in a fraction of the time compared to a dial-up connection
- talk on the phone and surf the internet at the same time
- choose from our range of competitively priced internet service providers (ISPs).

Choose your ISP

To access the internet you'll need to choose an internet service provider (ISP) on the TransACT network. ISP charges are not included in your monthly fees.

Grapevine, TransACT and ActewAGL's very own ISP, has a number of plans to suit your needs. Visit www.grapevine.com.au for more information.

Standard Form of Agreement, 12-month minimum contract, connection fee of \$199 for a 12-month contract or \$149 for a 24-month contract and early cancellation fees apply. All prices are GST inclusive. For technical reasons not all homes can be connected. National calls exclude calls to special services, operator-assisted services, teletext calls, data calls and calls made to the Christmas Islands, Cocos Islands and Norfolk Island. Timed calls are billed at 1-second increments, 1-second minimum with a 39-cent connection fee.*Broadband speeds are maximum speeds achievable, actual speeds received at your premises at any given time may be less. Factors that affect speed may include line quality and length from the exchange, hardware and software, the source of the download, internet traffic, other services running on the network and your ISP. As at February 2009, TransACT testing indicates that 99% of customers on the TalkWEB Zoom receive 2Mbps, 9% of customers on the TalkWEB Supersonic receive the maximum speed and 52% of customers receive 8Mbps or more. †Free local calls are those made to customers on the TransTALK and/or TransBIZ plans. ‡Call and ISP charges are additional.
