Standard Form of Agreement, applicable contract period and activation fee of \$15.95 per SIM apply. All prices are GST inclusive. SuperCap plans are only available to businesses with a valid CAN/ABN. Your first account may include more or less than one month's access fee and usage charges, as your monthly access fee and call credits are pro-rated, depending on when your SIM card is activated in our billing cycle. The minimum monthly access fee is charged one month in advance. *Minimum monthly fee applies even if full value is not used. †All unused credit is forfeited and cannot be rolled over. Once monthly credit is reached normal call rates apply. Eligible calls that contribute to monthly included credit are voice calls, video calls and text messages to Australian fixed-line phones and mobiles, voicemail calls, MMS and GPRS services used within Australia. #Calls to TransMOBILE, TransTALK and/or TransBIZ customers are free for the first 5 minutes, after five minutes normal call rates apply with calls billed at one-second intervals. TransACT acceptable use policy applies. §Intra-account calls are free calls to mobiles attached to the same SuperCap 190, 360, 600 or 800 plan. TransACT acceptable use policy applies. ^Handset credit is limited to selected handsets and can only be used at the time of the initial application on a 12-or 24-month contract. Downgrade option not available below initial SuperCap plan when handset credit is taken. Early cancellation fees apply. #Video call rates apply to Australian mobiles with 3G-compatible handsets. To use 3G services customers will need a 3G-compatible handset and be in a 3G-coverage area. **All unused data is forfeited and cannot be rolled over. Maximum broadband speeds available on the 3G network are handset dependent and up to 3.6Mbps download/384Kbps upload. Outside the 3G network broadband speeds operate at slower access and download speeds on the GPRS network. International roaming charges are not included in the data allowance included per month and roaming data is charged at 4c/KB. TransACT Capital Communications Pty Ltd ABN 23 093 966 888.
