How to use your on-demand services

TransTV interactive menu

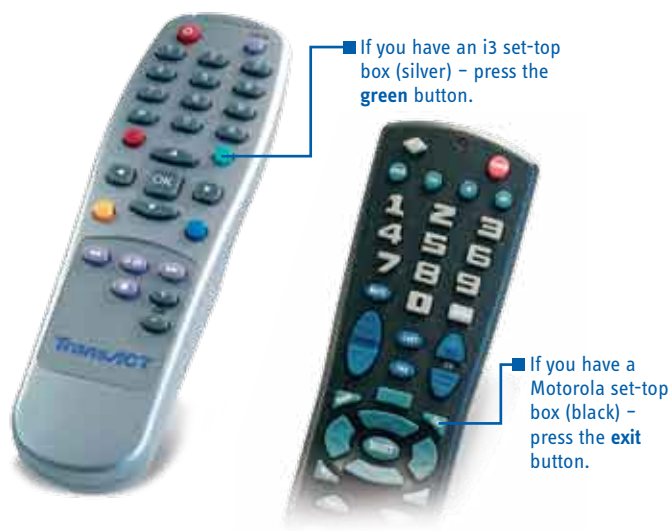

The TransTV interactive menu allows you to access the TransTV program guide, help menu, set-top box instructions and provides you with access to on-demand entertainment. The “My Account” option allows you to view your billing history, change your PIN and access parental control.

Accessing the interactive menu

Accessing the interactive menu depends on what set-top box you have.

If you have an i3 set-top box (silver) – press the **green** button on your remote control.

If you have a Motorola set-top box (black) – press the **exit** button on your remote control.

Accessing the option you require

Scroll through the menu and select the option you require by pressing the **ok/select** button on your remote control. Press the **red/exit** button to exit an option at any time.

You can browse by the type of content or program. The price of each episode will be shown on the screen and the charge will be billed to your TransACT account.

You can use the video control buttons on your remote control to start, stop, pause, fast forward and rewind your program.

Interactive menu options

TV guide

The TV guide allows you to search for a program or channel at any time of day.

Set-top box set-up

This option displays handy information about using your set-top box and can display the set-top box configuration.

Help

The help menu provides instructions on how to use your remote control as well as contact details for any further assistance.
