

CRITICAL INFORMATION SUMMARY:

Broadband (VDSL Network)

Information About The Service

TransACT Broadband is a service that delivers high-speed broadband in ACT/NSW via our own broadband network.

Requirements & Availability

It is mandatory to have a Fixed Phone service with us to have our Broadband service. Without bundling benefits on your broadband. You will require an ADSL modem to connect your service on our ADSL network. If you don't already have one, TransACT can sell you a suitable device at additional cost. On our Cable & FTTP network we will provide the modem with our service.

Broadband Service availability can be checked using our online coverage checker at www.transact.com.au/internet

Minimum Term

Broadband plans are available on either a 12 month or a 24 month agreement. A 24 month agreement gives access to discounted setup fee.

Included Features

There are a range of value-added features included with TransACT broadband, with further detail on the website;

- 2 email addresses
- 1GB of storage per mailbox (or 20MB storage on the national network)
- Additional 1GB mailboxes from \$2 per month
- Anti-spam and anti-virus email filtering
